

QUALITY POLICY

Senior Management has defined the company quality policy as follows:

As a service provider:

- *It is the policy of Ansett Aircraft Spares & Services to meet or exceed our customer's requirements in a consistent fashion by providing the highest quality parts and services in the industry while making a reasonable profit.*
- *This policy is fully supported by a highly trained and skilled workforce empowered to contribute actively to our continual improvement program and by a quality system in full compliance with the ISO9001:2015 / AS9120B quality standards.*
- *Further, we pledge our commitment to maintaining a safe and environmentally friendly working environment as a responsible member of our community within which our business prospers and our employees reside.*

Management ensures that this policy is understood, implemented and maintained at all levels of the organization.
